RE: AHERA Management Plans

A full copy of the AHERA management plan for each school in the district is available for review in the Central Office at 2 Blackburn Drive, and at each individual school office during regular school hours. Any inquiries regarding asbestos-containing materials in our schools should be directed to the Director of Public Works, Mike Hale, who can be reached at mhale@gloucester-ma.gov or 978 325-5600 with any questions. Portions of the plans are also posted below for review.

Thank you.
