For record keeping compliance with Federal regulations, we are requesting the following information. This is not for any employment decision. We assure you that all responses will be treated in a highly confidential manner and will be used solely for Equal Employment Opportunity (EEO) reporting purposes. This survey will be retained separately from the application and will not be released to the selecting managers, to anyone who can affect your application, or to the public. The Gloucester Public Schools records all responses as a tally for the entire group of applicants for this vacancy in a manner that cannot be associated with any individual application. This survey and its contents will never be placed in a personnel file.

Any information you provide will be kept confidential except for government officials investigating EEO compliance.

You are not required to respond, and will not be discriminated against in any way if you choose not to respond. We are required under Federal regulations via visual observation, or personal knowledge to attempt to collect and report this demographic information. If you do not wish to furnish this information, please initial and date below.
