

Cape Ann Career & College Fair

The Cape Ann Chamber of Commerce, in partnership with Gloucester, Rockport, Manchester-Essex and Essex Technical High Schools, invites you and your family to join us on Wednesday, May 20, 2015 from 6:30 to 8:30pm, for Cape Ann's First Annual "Cape Ann Regional Career and Educational Advancement Fair", to be held at the Gloucester High School Field House.

1. Why do I want to come?

The Chamber's business leaders have partnered with our area schools to bring more than 70 colleges and universities to the event, along with more than 50 local business leaders, to help you explore career opportunities and associated educational pathways.

2. What will I get out of it and how will it help me?

In addition to the advanced education career fields, we will also have business sectors represented that do not require college degrees, including the Trades and Armed Forces. College and local business representatives will be there to help in the development of your personal roadmap towards a career on Cape Ann or beyond.

3. What will it cost me?

There is no charge for this event. This fair is sponsored by The Cape Ann Chamber Business & Professional Educators Network: the *Business / Education Collaborative*.

We look forward to having you participate in this unique and exciting event, to help you better understand Cape Ann career opportunities and the various pathways toward a most rewarding career.
